

Town of Bethany Beach
General Fund Capital Budget Amendment
March 18, 2022

Discussion, Consideration, and Possible Vote on a Supplement to the FY 2022
General Fund Capital Budget of \$239,000 for Previously Approved Land Purchase
and \$7,000 for a Previously Approved Vehicle Purchase

The land purchased was approved by Town Council in April 2021, however the budget was not increased at that time. The purchase was for 2.7 acres of unimproved land on Second Street and Hudson Avenue purchased from Mr. Dematatis.

The budget included \$15,000 for the purchase of a used vehicle for administrative and other use, however vehicle prices were higher than anticipated due to the pandemic. The vehicle purchased was a 2018 Chevy Equinox for \$21,018.
